Into the Land of Oz

PUBLISHED BY THE SENIOR CLASS OF
~ PLAINFIELD HIGH SCHOOL ~
PLAINFIELD NEW JERSEY

To Arthur E. Smith:

The man whose teaching philosophy is, "Let us learn together," we, the Class of 1949, affectionately dedicate this book.

Born and educated through the 12th year of school in Plainfield, Mr. Smith attended Rutgers University where he was awarded his B.S. in structural engineering and mathematics. While at Rutgers, he was a member of Delta Kappa Epsilon, of which he was precept until 1936. After graduation Mr. Smith returned to Rutgers as assistant in the psychology department while he earned his M. of Ed.; at this time, he was elected to Psi Chi, honor society in psychology.

In spite of his fine academic record, Mr. Smith found time to play basketball, baseball, win his letter in football, and play the drums in the dance band.

His training in sports served him well because in the fall of 1936 when Mr. Smith started teaching in Plainfield High School, he was asked to serve as coach for the J.V. Football Team. At Plainfield Mr. Smith met Jane Foster, also a teacher, whom he later married. Their mutual interest and pride is ten month old Peter Foster Smith.

Mr. Smith's ambition is to travel, travel and travel; then fix a place in the country to raise sheep, dogs, cats and Peter. Classical music, String Quartets, and camping are close to his heart, but athletics rate an even closer place.

We of the Class of 1949, can wish no better thing for the classes that come after us than that they may have Mr. A. E. Smith as their understanding teacher and friend.

The Wizard of Oz runs his fingers through his fast-thinning hair and reminisces sadly; another year has gone by, and he is growing no younger. Dorothy is no longer a little girl; the cowardly lion eats his royal feast and then stretches out on the couch for his forty winks; the tin woodsman grows rusty and creaks badly when in need of oil; the scarcecrow's straw begins decaying; even Toto grows more sedate.

The Wizard can remember when the class of '49 were all freshmen—scared freshmen. He can remember that first day of school when high and mighty seniors gave "The Kids" misleading information such as the bad fairies gave to Dorothy, Toto, and their three friends. He saw those freshmen gaze with awe at the revered seniors; the mention of the dean's office turned their blood to water. However, by April of that same freshman year, they knew it all, and could hardly wait to get revenge by misdirecting the next year's freshman class.

The four years of high school passed very quickly before the eyes of the Wizard. He watched the pupils and his **Milestone** staff grow up, and he saw the school improving in many ways. He heard Student Council reports given in the home-rooms, and the Wizard realized that these very students, so well trained in democratic government, would one day be the enlightened leaders and citizens of this country.

The Wizard thought of Plainfield High as the land of Oz. Isn't education the gold brick path to the Emerald City, better known as success in life? There is no "easy way", no short-cut to the goal. It is true that there are many tempting side-paths, but these will only lead astray.

As the Class of '49 goes on, the Wizard sincerely hopes that somewhere along the richly paved road, each of them will find the time and the patience to bend over to gather some of the gold-bricks of knowledge. He gives you the **1949 Milestone** that you may remind yourself of four years of fun, hard work, and, he hopes, education.

"GUARDIANS OF THE GATES"

When the cowardly lion called for courage, Dorothy should have led him to our vice-principal and favorite biology teacher, HENRY HUBBARD. Good luck forever!

The principal's office is our Emerald City, presided over by WALDRO J. KINDIG. We of P.H.S. are fortunate in having him as the ruler of the once-feared domain.

To that Wizard of Education, Superintendent ARTHUR E. HOPPER, we take off our hats. He has led us from the fate of the brainless scarecrow. May we continue to enjoy the privilege of his helpfulness.

Dean LOLA HOFF, who helps keep the peace, is a beloved figure in the halls of P.H.S. Her good nature and "even-handed" justice makes her popular.

A far cry from the heartless tin woodsman is Dean GEORGE A. SMITH. No one fears the dean's office when they hear his friendly laugh and "hello".

“END OF THE RAINBOW”

"Hey Freshman!"

Can you remember back to your first day in Plainfield High School? Five hundred and twenty-three strong we entered that September, 1945, and we had much to look forward to. Of course we didn't know just what to expect, except four years of companionship and study. In fact, it has taken us these four years to discover what we were looking forward to that first day.

We began by electing our first officers: Philip Staskewicz, president; Lemuel Holcombe, vice-president; Harriet Mundy, secretary; and John Thompson, treasurer. In March, 1945, the class of '49 presented with help from our adviser, Dean Hoff, our first project, the Freshman Party, which gave to our treasury its first riches, $41.00.

PHS excelled in almost every sport that year. Our track team, besides winning every meet, also won the County and Newark State Meets. On the football field we broke all former records by scoring 206 points against 76 for our opponents. The Swimming, Tennis, and Cross-Country had winning seasons.

1946—and we well earned our title of "Silly Sophs!" Our leaders that year were Gerry Shaw, Neil Fort, Patricia Behr, and Jane Dansard. Our big event was the "Sophomoron-Dunce Dance". Dunce caps, yard sticks, and geometric equations were the theme. In May, after electing Tim Kett, Jill Peale, Harriet Mundy, and Millicent Radamaker as next year's officers, we could look forward to a wonderful vacation and returning in September as Juniors with half our high school days over.

Almost as soon as we returned, we began planning our Junior dance. Its theme was "Fall Serenade"; Austin Palmer made with the music, and we provided a new kind of entertainment with several specialty dances. In March we put on the PHS version of **Our Hearts Were Young And Gay,** starring Lois Castellanos and Kathleen Griffin as the two innocents abroad. The play was a hit and added $254.34 to our treasury.

We had hardly finished with the play, when it was time to help the seniors with the Junior-Senior Prom. On May 21, the big event took place in a "Spring Garden" vaguely resembling our auditorium.

About that time we were busy choosing the next year's leaders. Besides our own senior class officers who were Bob Goldsack, Millicent Radamaker, Phyllis Jones, and George Coyne, we elected Tim Kett as president of Student Council, Lowell Blumenauer as vice-president, and Harriet Mundy as secretary. Bert Katz was chosen Editor-in-Chief of the **Entree,** and Marion Boise, Editor of the **Milestone.**

Immediately on returning, tryouts for the Senior Class Play began. Jill Peale, Lowell Blumenauer and Neil Fort were chosen as leads in the **Stage Door** cast. We added to our treasury by the sale of those familiar red and blue pennants. These were only the beginnings of a very busy year. Remember the fun we had at the Senior Dance, Junior-Senior Prom, Senior Day, and at the Senior Supper? After taking over the school on Senior Day and discovering who had received Hall of Fame honors, we realized that our time at PHS was running short.

We had watched our football, basketball, baseball, track, tennis, cross country, and swimming teams win and lose for four years. We had rushed with the others to be first in lunch line; watched breathlessly a thrilling moment of a football game or a class play; met the kids after school at the "Hill" or "George's"; sighed as "Goodnight Sweetheart" was played at the end of a school dance; and realized all over again that we were true PHS'ers every time we sang the "Alma Mater".

Graduation day when we sang it for the last time, we could look back on these things but only briefly; we all knew that here was once again the time to look forward.

"I wish I had a-heart to beat."

"We are lost."

Robert Goldsack; Phyllis Jones; Millicent Rademaker; George Coyne.

"CROSSING THE DESERT"

Exams are over and we've passed . . . Whew! But now, with the long awaited senior year in our grasp, we need worry no longer about such horrible things. Even so, we'll be mighty proud to graduate with the class of '50, for haven't we added many important paragraphs to the history of P.H.S.?

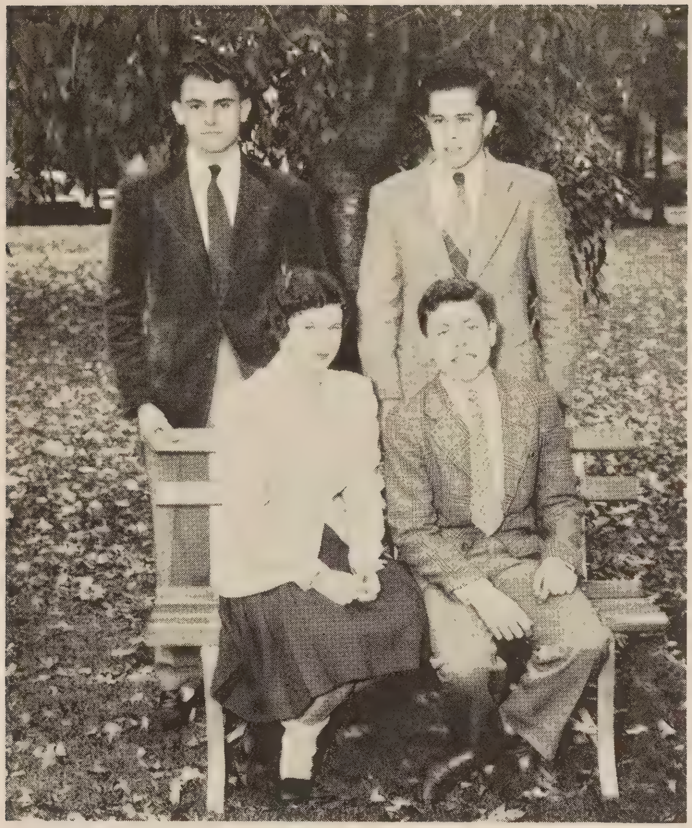
Do you remember our first social event, the Frosh Party? It was a great success, and we still claim it was the best ever. Green as we were, we chose four fine class officers: Tom Pepe, President; Shelby Craig, Vice-President; Phyllis Scelsa, Secretary; and Anne Borow, Treasurer.

Before we knew it, we were upper-lower classmen, starting the tremendous projects of the year with the suave sophistication only sophomores possess. Those red and blue "Plainfield" buttons seen at football games were sold to make money for our treasury. Our president, Shelby Craig, along with Bill Johnson, Vice-President; Betsy Clark, Secretary; and Dottie Gee, Treasurer, worked arduously, planning the magnificent Soph Hop. Another success!

As Juniors, we have taken an even greater part in school activities. Our class makes up one third of the Student Council, with classmate Tom Pepe in the office of Treasurer. We are well represented in P.H.S. clubs and can always be seen at pep rallies, dances and at athletic fields, either in the stands or in the game. Again this year, we presented one of the best dances of the season: the Junior Pumpkin Ball! We danced to the melodious strains of Bill Sayre's band, in the atmosphere of Hallowe'en, with pumpkins, cornstalks and a huge scarecrow decorating the auditorium. Our officers are Bill Marsh, President; Charlie Roberts, Vice-President; Barb Mercelis, Secretary; Skip Cunninghame, Treasurer.

Now, with our goal in sight, we look toward '50 with anticipation. We'll do our best to carry on the spirit of Plainfield High, hoping to have heaps of fun, and making our last year **more** successful than the rest!

"In a civilized country."



First Row: B. Mercelis; A. Cunningham.
Second Row: W. Marsh; C. Roberts.

"YOU HAVE PLENTY OF COURAGE; ALL YOU NEED IS CONFIDENCE!"

Why of course we know our way around the school; we know that there are no elevators, and no meals served in the main dining room. We're the sophomores! No longer green in the ways of PHS students, it's now our turn to tease the little freshman. The first thing we did that September '47 was to learn the "Alma Mater" so that we could sing as loud as the seniors. Then we elected our officers in order to have a voice in Student Council and school affairs. Melvin Smith was our first president; Bob Hutchinson, vice-president; Jeanne Pepe, secretary; and Carol Sand, treasurer. We chose Freshmen classmates to guide our parents around the school. Then in February, came our first big high-school affair, the best thing that ever happened to a high school student: the Freshman Party with no upper classmen to tell us what to do. With circus posters on every wall, we were in holiday spirits. There was everything you could wish for—dancing, movies, games, and a floor show.

Before we knew it, our first year had whizzed by, but not before we had elected Dean Wachtel as president; Bill Wright, vice-president; Joan Kennison, secretary; and Judy Beattie as treasurer of our up-and-coming-almost-sophomore class.

Then things really began to happen. Who can forget **Rich Man, Poor Man,** the play we gave in assembly? It was at that time we showed Neil Fort, Lowell Blumenauer, Jill Peale, and Lois Castellanos that they must look to their laurels!

The Sophomore Dance revealed that there was social grace aplenty in our class. Just give us one more year, and we promise that no one will **ever** forget the **Class of '51.**

"MUNCHKINS OF OZ"

Freshman Day, 1948, the halls of P.H.S. were curiously examined by a horde of bewildered, excited newcomers—us, the class of '52. Although confused at first by the "UP" and "DOWN" stairways, the one way traffic, the noise and bustle of the cafeteria, the elevator that wasn't, we were soon into the swing of things, surrounded by classwork, clubs and outside activities.

As an English project we were introduced to the library; we spent some time in the auditorium learning school songs; we became loyal supporters of such organizations as the Student Council, the Freshman Drama Club, A Capella Choir, Library Council, Freshman Football and the Projection Squad.

With October came election time when some of our bolder classmates campaigned for the opportunity of being our representatives or class officers. Those whom we elected were Joyce Popovitch, Bill Luce, Nancy Joy, and Ruth Borsuk as our president, vice-president, secretary and treasurer, respectively.

In the following month, an invitation was extended to our mothers and fathers to meet our teachers and the parents of our friends; and to become acquainted with the high school courses and activities. This was by means of the traditional and enjoyable Freshman Parent Tea.

Do you remember the party which was held exclusively for us Frosh? In "Fair Hawaii", we danced to the rhythmic melody of Bill Sayre's Orchestra, while several of our talented classmates provided the entertainment for the floor show.

As June, 1949, puts an end to our "trial run", we look forward to more participation in fun and work at P.H.S.

"Why don't you run and jump?"

Such comments as: "I say longer lunch periods!" "My homeroom has voted on a square dance!" "We will now hear the treasurer's report", are all samples of what goes on at a **Student Council** meeting on Tuesday during assembly period. To be a member of the **Student Council,** which is under the advisorship of Miss Mary Bashore and Mrs. Marcia Westpfahl, is an honor, for the Council is the backbone of Plainfield High School and everyone from a small, green freshman, right up to a wise, old senior has his chance to express his opinions on ways at P.H.S.

The Council meets formally every Tuesday during homeroom period although much time is spent before and after the meetings by the Executive Committee of the **Student Council** in planning and preparing material. The Council concerns itself with the students' problems and with ways of bettering the school. Through the democratic procedure followed in the Council meetings, every student in P.H.S. knows what goes on behind the library doors once a week. The officers of the Student Council this year have been very competent. They are Tim Kett, president; Lowell Blumenauer, vice president; Harriet Mundy, secretary; and George Coyne, treasurer.

This year the **Student Council** again sponsored the Fall Mixer which was attended by a capacity crowd. They planned a pep rally and victory march when the Cardinals defeated North Plainfield. They have proceeded with the school beautification plan; have attempted to work out a more satisfactory lunch schedule; prompted homerooms to hold better discussions; and have held a place of esteem among students and faculty of not only P.H.S., but high schools all over New Jersey. Our **Student Council** works for each student, with the purpose of making P.H.S. a better, more outstanding school. The **Student Council** deserves a rousing cheer from everyone for their good will and good work!

It is not all work and no play for the members of the **Library Council** under the supervision of Miss Josephine Miller and Miss Catherine Moraller. Besides duties such as stamping and shelving books, delivering and filing passes, and helping to plan exhibits, the members may attend the semi-annual State Library Council meetings. This year the Council attended an interesting Book Fair in New York during Book Week.

Many world problems are discussed each week at the meetings of the **Forum Club** which is under the supervision of Miss Geraldine Cooley. The group holds debates and during the year they attend the **Herald Tribune** Youth Forum held in New York City. Other trips are planned each year and these trips help to give the members a clearer understanding of world conflicts and political questions.

Girls who have shown by their ability and cooperation that they are outstanding members of their gym classes are invited to join the **Girls Leaders Club.** These girls must be approved by the three members of the Girl's Physical Education staff. Every Tuesday assembly period, Mrs. Ruth King meets with the club members to train them in all fields of athletics. They are prepared to take attendance, lead games, and assist the teacher in charge in various other ways. Many would-be gym teachers gain early experience in this club.

Readin', ritin', and rythmic. No, that's not a misprint. The new **Rythmic Swimming Club** now is among the most popular clubs in high school. A typical Monday assembly period in the pool . . . "Boom, boom, boom" . . . "Gee, but it's hard to swim to the beat of a drum . . . Wish Mrs. Hogan would play that record slower, I'm too winded to swim that fast . . . If this keeps up, I really will lose some weight." These "tank suit Esther Williamses" spend their time learning to swim in unison with a beat to guide them.

No, those girls scampering to their lockers at four o'clock in the afternoon haven't been enjoying "happy hour". They are members of the **A Cappella Choir** who are always busy preparing an entertaining musical program for the school or community. The choir is composed of approximately 100 members with Mrs. Vera Monez as director. The girls sing for assembly programs and request programs for outside groups, such as Rotary, Old Guard, and Kiwanis.

Any day during fifth period you can hear the P. H. S. **Orchestra** diligently practicing a new overture or suite. This year, as in the past, the orchestra, under the direction of Mr. Clarence Andrews, has entertained in assembly and at the Junior and Senior plays. Small ensembles have also played at the "Y" and at various school functions. The highlight of the year's work is a concert given in the spring.

Although P. H. S. this year boasts of six choirs, the **Mixed Chorus** is the only one with both boy and girl members. This club is composed primarily of students who are experienced in group singing. Directed by Mrs. Vera Monez, the fifty club members meet twice a week. Many of the members of **Mixed Chorus** belong to the All-State Chorus, a choir composed of students from high schools all over New Jersey.

During the year the group gives several programs for various town clubs and assemblies, the highlight of the year being the Choral Festival.

"Cindy," "Aura Lee," "Chilly Wind," and "Cornell Alma Mater." These are only a few of the many songs in which the members of the **Male Chorus** blend their voices. Mrs. Vera Monez directs these boys who like to sing and enjoy the solid harmony which they find in this club.

During the year **Male Chorus** sings for civic organizations and participates in assemblies. They also offer several songs at the annual Choral Festival.

Our future Meltons and Melchiors are discovered in P. H. S.'s **Male Chorus.**

"Have you got it? Hip! Hip!" shout the **Plainfield High Cheerleaders.** Rain or shine, win or lose, this group of boys and girls is out on the field or in the gym, showing us how to cheer our teams on. Co-captained by Ann Harvan and Willene Edwards, and with the coaching of Miss Mildred Arinsberg, the squad gives its time and effort towards boosting the morale of the school.

To the tempo of a John Phillip Sousa march, played by the P.H.S. band, the high-stepping **Twirlers** add a touch of color and excitement to the football games. These girls, who practice twice a week after school, deserve a great deal of credit for all the time and effort that they put into their work. The art of twirling is an intricate one and takes patience and practice to develop.

Wuotto, A. Zeiner, V. Hardin.

A roar of approval from the cheering section and the P.H.S. **Band** swings into step as it forms a "P" at the half. Under the direction of Mr. Clarence Andrews, the P.H.S. band is heard at every football game and during the year in their annual concert. Clad in their striking new red and blue outfits, the band makes a neat appearance as it marches in step down the brown field to aid in carrying the "Cards" to victory.

Each year during their concert, the band offers a varied program with several solos and group numbers in a medley.

For girls who wish to develop skill in all types of gymnastics, the **Apparatus and Tumbling Club**, with Miss Marion Newson as director, has been organized.

The thirty members of the club this year through much practice, gained experience in rope climbing, swinging, and tumbling on mats, activities which are not a part of the regular gym work.

"The Chess Club", under the guidance of Mr. Adolph Hauck, has been in existence since 1913 making it the oldest club in P.H.S. The members of the **Chess Club** are either beginners who are given a chance to learn the game, or students who wish to perfect their skill by learning new moves. The club plays teams of the neighboring high schools, and has a yearly round robin tournament to determine the P.H.S. champion.

Seated: M. Kahn; T. Abbond. Standing: J. Coleman; P. Dawson; Mr. A. Hauck; J. Hediger.

The Old Testament Club, with the aid of Miss Elizabeth Hageman, has had a year full of activities. In addition to the major interest of learning more of the greatest Book in the world, the program includes participation in the World-Wide Bible Reading Campaign; special all-student programs; occasional outside speakers; movies and slides; special music; Bible games and quiz programs; parties, and a trip to New York City.

Any student who is interested in radios or the field of radio is probably a member of the new **Radio Club** which is under the direction of Mr. John Pearson and Mr. John McCurdy. Many of the members are experienced in radio work, and the projects of the club are varied to meet the needs of its members.

"It's a long story."

With deadlines to be met and many stories as yet unfinished, the **Entree** office is filled with energetic reporters and staff members who are supervised by Miss Eileen Cash as faculty adviser. **The Entree,** which is published bi-weekly, is filled from front to back with stories and pictures of school events such as sports, "Interviews on the Run", "The Wash", and the very popular feature page. The purpose of the **Entree** is to publicize school affairs by giving every student a voice in them by means of the press. The **Entree** is distributed on Fridays by the Business Staff headed by Mr. A. Hamilton Otto and Ruth Jones, student Business Manager. The Business Staff takes charge of sending copies of the **Entree** to subscribers, advertisers, and to exchange schools. At a nominal price of ten cents, or an S.A.T., copies of the **Entree** are at a premium. Bert Katz, Editor-in-Chief, has done an excellent job in preparing a paper that has received, for the past-five years, first place rating in the annual Columbia Scholastic Press Conference.

Representing the work of many members of the P.H.S. student body, the **1949 Milestone,** with its amusing sketches based on the delightful theme of **The Wizard of Oz,** has been completed with a cry of "We're Off to See The Wizard" still ringing in the ears of the hard-working editorial and business staffs, advised by Miss Gertrude Aitchison and Mrs. Alice Millican.

With a great deal of planning and re-planning, coaxing and pleading on the part of editor-in-chief Marion Boise, the editorial staff managed to finish write-ups by the deadline, do paste-ups and identifications of pictures; while the business staff, prodded by their manager, Berta Trusheim, scoured the town for ads to pay for publishing the **Milestone.**

The long hours of preparation now furnish nostalgic memories for the staff which remembers . . . Marion's appendectomy just before we "put the baby to bed" . . . the arguments about the theme . . . the wonderful time at the **Milestone** dinner . . . the thrill all the students received when the **1949 Milestone** came from the publisher!

Where can you find a group of students who are interested in exploring mathematics in their spare time? In the **Mathematics Club** with Mr. Garthwaite as adviser. Members of the club do research in mathematics and teach what they have learned to the rest of the group. This year they learned how to use the slide rule. One of the club's activities was to visit Columbia University to see the cyclotron.

"Ab ovo ubsque ad mala." "From eggs to apples." This is the theme of the **Latin Club's** annual supper, the main social event of the season. This club, under the able guidance of Miss E. Horn, is open to all Latin students who wish to advance their knowledge of ancient Roman belief, customs and famous people. This year the project of the Latin Club was to associate holidays and birthdays of ancient Roman times with those of today.

During assembly period, you undoubtedly hear the haunting strains of Haydn's or Mozart's music, and you probably hear some comments on the music. "Put that record on again—the last part is good! Did you hear those violins?" "I think that was the best we've heard yet." This is the way of things in the **Chamber Music Club,** sponsored by Mr. Henry Hubbard.

Behind the doors of room 321 every Monday during assembly period, a class of junior Michael Angelos and Rembrants meet. Miss Marjorie Johnson leads the **Sketch Club** in a variety of activities. There is a committee that decides on projects such as clay modeling, painting, cartooning, and sketching out-of-doors. The club's works have appeared in the showcases on many occasions, and its ambitious members have participated in many school projects.

Do you yearn to belong to the theater? Of course you do, but you're too young, you're still in high school. Well, haven't you heard about the **Senior Drama Club?** These actors of P. H. S., under the guidance of Miss Virginia Mixer, have a real theater club. The members discuss plays, methods of acting; and they also try various make-up techniques. They have taken part in many assemblies; sometimes without a word to say, but they have been on the stage!

The **Student Assembly Committee** meets with Miss V. Mixer every Tuesday during assembly period. The members of the Assembly Committee are appointed by the President of the Student Council. Jill Peale is chairman of the committee which is made up of four seniors, three juniors, two sophomores, and two freshmen. They help to plan future assemblies, reflect student opinions and occasionally sponsor their own programs. Their aim is to present each week a worth while program with the best showmanship possible.

Interest in stagework has drawn a group of sophomores together under the advisership of Mrs. Ruth Siebert. Once a week this **Sophomore Drama Club** meets to discuss and learn diction, voice control, make up, and lighting for plays. These future Tyrone Powers and Rita Hayworths really concentrate on the art of making up to fit the character. The great moment of the year came when a one act farce, "Rich Man, Poor Man," was presented in and received the plaudits of the assembly.

Lipstick, powder, and eye-shadow—with these common items the lowly freshmen get their first taste of dramatics in Plainfield High. Eager stage-struck freshmen have joined the **Freshmen Dramatic Club** to show their ability to act. During their meetings, which are held every Tuesday assembly period, the club members are instructed in the art of make-up and poise by their adviser, Mr. Donald McCandless. The members of the Freshmen Dramatics Club of today, are the stars of tomorrow!

The showing of these movies is made possible by the thirty-five members of the **Projection Club** under Mr. Caryl C. Dunavan. In the afternoon these members sign up for any pictures they are willing to show during their study periods the next day. This service club also takes charge of phonograph records and the wire recorder.

Who are the boys who set up and operate the lighting for our assemblies, shows, and dances? They are the members of the **Stage Electricians Club** which meets on Tuesday during activity period. Mr. Eric Nelson supervises this group which does most of its work after school and evenings when school functions take place. These boys deserve a great deal of credit for the fine job they do.

The steady beat of typewriters fills the room, bells ring, time is called, and a make-up test ends as the **Typing Club,** which meets once a week, develops the skill and accuracy of its thirty members, under the direction of Mrs. Ruth Wyer. The girls can spend their time doing anything they wish. Some choose to type a theme, some write business letters, and some do make-up work that would otherwise have to be done after school.

Look out, girls! Now is the time to get that man with the "new look". Yes, we mean one of the twelve members of the **Boys' Cooking Club.** Once a week, this group of aproned kitchen enthusiasts meets under the direction of Miss Muriel Miller. They specialize in preparing simple, attractive dishes, but concentrate equally well on good manners and table-setting. The real test of their cooking ability is the fact that they have to eat everything they make. Well, here's hoping!

Stage DOOR
LM

Food + rouge + glue + hair = girl's dressing room!

We remember that thrill of being chosen for a part in our Senior Play; the routine that rehearsals became—trying in vain to get our homework done; the desperate days of learning lines and stage positions; the play becoming THE thing in our lives; for weeks we ate, slept and lived **Stage Door.**

Lew and Joan Marie sweating over southern accents; Carol, an Irish brogue; Joy, her scream; and Loretta, her dance step. We remember Miss Mixer's efforts to make Miki a man-hater; Anita, a Russian; Sue Haldeman, a society girl; Sue Van Eps, a Hollywoodite; Neil, "older"; and Jack, "slower, much slower."

the final rush of our prop committee; Lowell's top hat; those "eyeshades" of Lois and Jill; Marilyn's apple; George's and Dave's derbies —these are the things we will never forget.

there was dress rehearsal—lights, photographs, stumbling over unfamiliar furniture and the stage crew, the realization that this was the last time without an audience. The night of the performance everyone seemed unusually gay and happy in new faces and first act costumes, thinking only of Miss Mixer's music box and the cast party. Came the final pat to the hair and tug to the jacket before the cue and we were presenting **Stage Door!**

STAGE DOOR opens.

Divine Thespians.

We remember, looking back upon our first "big" play, **Divine Flora,** those hours of grueling but satisfactory rehearsals, of fun and hard work. We remember the attempts of the harassed Mrs. Pryor, Madelaine Blatt, to soothe her raging husband, Bernard Shapiro, and her efforts to tolerate her sophisticated daughter Sharon, Carolyn Manzelman. We remember the loud arguments of Randy, George Chirogene, with Buzz, John Laferty; and Randy's scheme concerning the forlorn Flora, Debbie Bray, daughter of the wealthy Mr. Dean, Charles Young, which resulted in a chain of hilarious events.

Who can forget Daphne, Sara Nodine, wife of Tex Arlen, Barry Friedlander, a popular crooner who was pursued by his flock of worshipping bobby-soxers: Jean Herres, Alice Isbell, June DeDecker, Joan Hansen, Dotty Gee, Mary-Jane Lemos, Betsy Clark, Joyce Ritchie, Mary Ellen Shallow, Nora Fitzpatrick and Anne Luce, the twins, Mary Ann Lee, Marcia Graham, Nancy Jane Gilks and Nan Kyle.

We remember Bart Feldman and Don Epstein as Flora's ardent admirers; Doris Levy as a reporter; Gale Barnes, Dick McDonough, Eileen Burke and Steve Denman dancing in the prologue.

Finally, because of the patient and fine direction of Mrs. Siebert, we remember the satisfaction of presenting a successful production.

Before the transformation.

Plainfield High's **Swimming Team** completed its third consecutive undefeated season under the capable instruction of Coach Vic "Victory" Liske and his assistant, John McNair. It was the second straight year without a tie. Falling before the onslaught of the Cardinals in dual meets were Fairlawn, Westfield, Lincoln, Morristown, twice each, and Irvington, once. Although they came in fourth in the State Meet, the mermen had the satisfaction of defeating the champs, Columbia, twice during the regular season.

A top 160-yard relay team cut the school record from 1:21.9 to 1:21.4 minutes. Composed of Gerry Shaw, Bill Krog, Bob Bootsic, and Bill Marsh, the latter of whom was the team's only undefeated swimmer, they placed first in the state meet. Marsh, in the state contest, placed third in the 50-yard freestyle, and Krog, a junior, took fifth place in the 100-yard freestyle. Pip Jennings placed fourth in diving, in competition with Bob Clotsworthy, state victor for three consecutive years.

This year a new event was added, the 120-yard individual medley, in which one swimmer swims two

laps each of breaststroke, backstroke, and freestyle. Irving Bittle, the senior who was rated best swimmer for the year, switched from backstroke to this event and placed fifth in the state.

Completing the senior roster of the team were the following: Neil Fort, backstroke; Tim Kett, Andy Johnson, Mike Venezia, and Nelson Mergott, freestyle; and Judd Pratt, individual medley. These, and the rest of the team, received fine backing, not only from the students, but also from the parents, who attended, as a group, almost every meet in which the school participated.

An integral part of the team this year, was seven year-old Pete Liske. Pete, the coach's son, was voted the mascot of the team. He shows promise of becoming a champion in his father's specialty, the backstroke. Mr. Liske was very much surprised at the skill shown by the next youngest members of the team, the freshmen. Leading the list were Alan Fitts, Don Fort, Pete Lawson, and Pat Shannon. With such potential stars as these, Plainfield can look forward to more teams of the calibre of those of recent years.

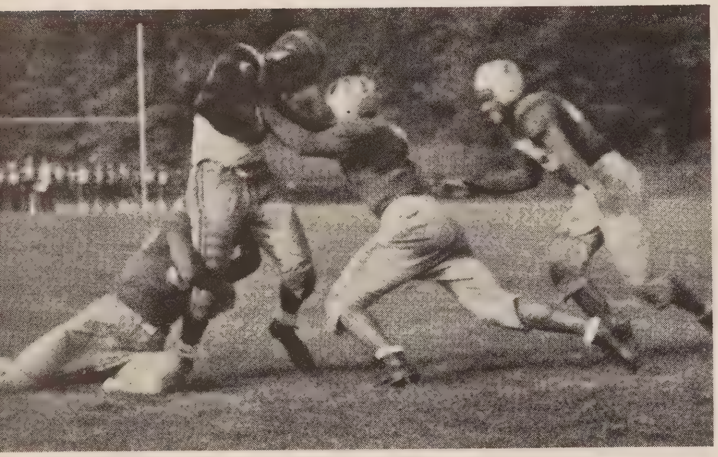
OUR NOT SO COWARDLY LIONS: *FOOTBALL*



"It isn't as easy as you think."

The Tornado strikes!

For the second straight year the **Cardinals** had a below average season, but the record, three games won, one tie, and five losses, belies the team's power.

To open the schedule the squad faced South River determined to avenge the previous year's 65-0 humbling, but all they met was heartbreak as the pass defense collapsed. With victory within easy grasp for Plainfield, South River forged ahead to a 13-12 lead, which they retained. In the anticlimactic Columbia fray, brilliant defensive play held back the enemy tide. A sixty yard dash gave the Cougars a well deserved 6-0 victory in a contest in which the Plainfield offense utterly failed.

Bound Brook achieved a 7-7 tie in the team's next tussle. Journeying to Perth Amboy, the Plainfield big guns finally opened up as the 13-7 outcome was in favor of PHS. The Cards' hopes were "dampened" as rain and sloshy footing rendered their attack impotent, to put Somerville on the winning end of a 13-0 affair.

Forgetting unfavorable press comments, the Redbirds completely battered a strong Thomas Jefferson team. Thoroughly quashed, the Jeffs returned home with an 18-7 loss. After returning

North Plainfield's second half kickoff to take a 7-6 lead, PHS was not to be waylaid, and the city championship was captured in a 13-6 contest.

In Carteret the Smithmen faced another weak opponent—and more mud. Frequent fumbles and no toehold for the backfield cost the game, 19-7.

A Westfield powerhouse entered Plainfield expectant of easy victory, but they were rudely shocked as the first score came in the second half, and by the home team. A long run soon put Westfield in front, and they tallied once again within a few minutes. The Plainfield defense shone, as, among other things, they made a successful stand on their own two yard line through four downs to halt Westfield, and, although they also surpassed the visitors in offensive play, fumbles broke the backs of sustained drives. The final score was 14-6.

Much credit is due to the valiant and sturdy Plainfield linemen, Tom Campbell, Ray Chandler, Dick Norman, Mort Rubin, Ed Leibel, John O'Keefe, Dom Lombardi, Joe Braco, and Seth Macauley. The backfield included Fred Murphy, Ben Lipscombe, Gerry Shaw, Bill Harkness, Tony Serido, and Roy Snyder. Not to be overlooked is the record of Assistant Coach Ray Tice's B squad, unbeaten, and until the last game, unscored upon. Many varsity starters will return to see action and there will be an abundance of material from both the B squad and the once beaten J-V eleven. Coach Abe Smith can look forward to a powerful team in 1949.

Coach Art Smith's **Jayvees** finished another successful season as they won seven and lost one. The Junior Cards lost the opener to New Brunswick, but downed Columbia, Union, Somerville, Perth Amboy, Carteret, Bound Brook, and North Plainfield. This made Mr. Smith's record over a five year period thirty-two wins and four losses, besides two undefeated seasons.

The Cards opened the season with an inexperienced and somewhat nervous team, losing to New Brunswick, 14-0. The game was played on even terms, but the Zebras received two important breaks near the beginning of the contest and tallied their fourteen points then.

The Union and North Plainfield affairs, the two toughest of the season, took place when the Jayvees were plagued with injuries. The line had only two men who had played in the opener, and the backs were in poor condition; however, through good coaching and spirit, Union fell, 19-7, and the Canucks lost by three touchdowns.

The line was sparked by Joe Esler, George Barbuty, Larry Jackson, Alan Munitz, Art Nelson, Joe Pope, and Herb Hush. Leading scorer was right halfback Roy Knight, with fifty-nine points; Alex Piano was next with twenty-four. Other stellar backs were Ward Talbot, Dick Snell, Jim Perina and Cliff Mathews.

The **Freshmen,** under Coach Jake Kinney, completed the season above the .500 mark, winning four, losing two, and tying one. The yearlings won the first two, with Union and Bound Brook, lost to Rahway, and tied Somerville. The most important of their wins came at the end of the year when they downed Westfield and North Plainfield. Joe Mills and "Tex" Kaplan, hard hitting backs, were the deciding factor in the last two victories.

The line, led by Captain Jim Berreir, Denton Seybold, Eugene Herman, Paul Fania, Ted Bremble, Keith Williams, and Bob Gibbons, played well all season. The backs, Joe Mills, "Tex" Kaplan, David Knight, Don Stevens, Henry Lambert, Louis Cerillo, and John Madsen, did an excellent job.

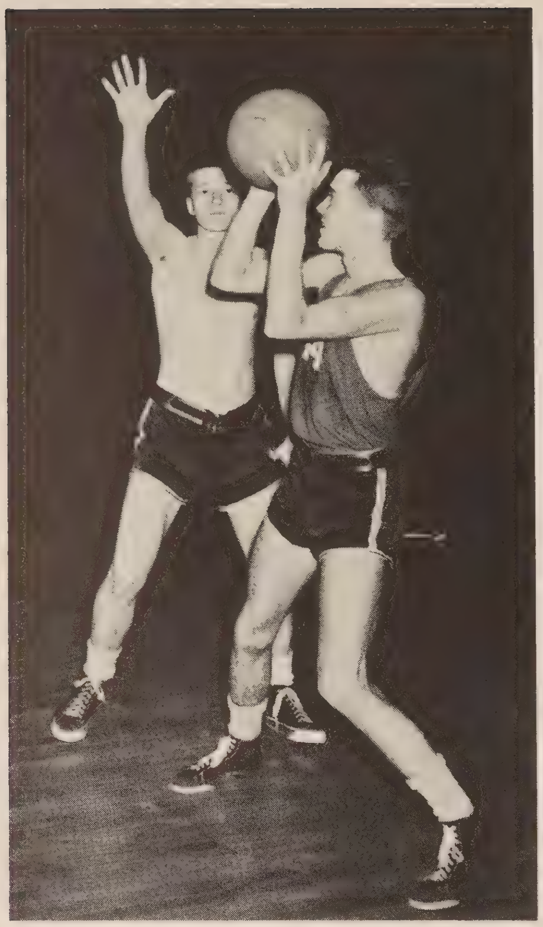
CROSS COUNTRY

"I ran as fast as I could."

The record of two wins and two losses brought to a close the 1948 schedule of the dual meets for the **Cross Country team,** coached by Mr. Harold Bruguiere; they finished fifteenth in the state meet which was attended by twenty-five schools. Intra-squad competition resulted in victory for the freshmen over the sophomores, and the juniors superior to the seniors by one point. From this year's squad there will be left three lettermen; these, augmented by other undergraduates, reveal great promise for next year.

During meets the runners were paced by Rowland McDermott and Tim Kett who scored most in the encounters with Westfield, Kearny, Cranford, and Rahway, besides the county and state meets. "Mac" turned in the year's best time, two minutes and ten seconds, only two seconds short of the school record.

Of the seventy-five candidates for the Cross Country squad, the following received varsity letters: Rowland McDermott, Tim Kett, Charlie Grimes, Judd Pratt, Mike Lavelle, Ralph Orlando, Larry Lines, Ralph Hobsen, Orville Alexander, and Ronald Wroble.



Ez could make a monkey of anyone.

SCARECROWS WITH CREW

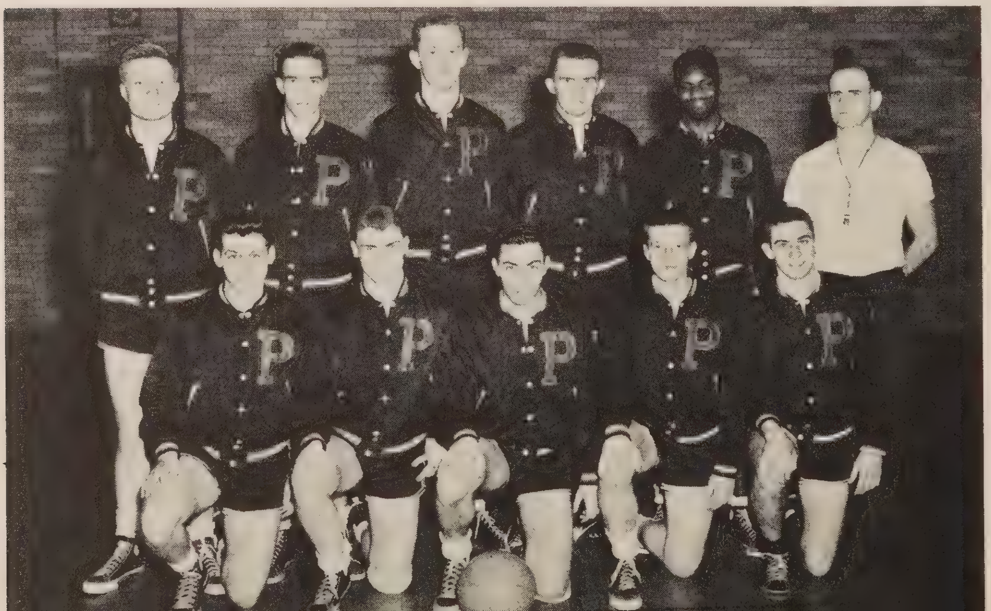
Coach Bill Brann's **Cardinals** enjoyed a successful 1948-1949 season on the hardwoods of Union County. While winning fourteen and dropping eight contests, they captured the Big Five Championship, advanced to the semi-finals of the County Tournament, and the quarter-finals of the State. Unfortunately, they lost the city series to the Canucks, two games out of three, for the fourth straight year.

The Cards had as a starting team an all senior five. Bill Foley and "Ezro" Enander were at the forward posts. All-county Jim Ridgway was at center, and Jack Haver and Captain Bill Harkness handled the guard chores. Harkness, Ridgway, and Foley were veterans; Haver and Enander, first year men, greatly aided the team with their hustle, floor work, and scoring punch. Others who saw occasional action were juniors Dick Foley, Bobby Ciotta, Bill Johnson, Dick Watkins, Herb Brandt, Bill Cary, Frank Hocko, and sophomore Tom Campbell.

Starting the season in slow fashion by losing to Bound Brook, Linden, and Regional, the Brannmen started to move with victory streaks of four and six games. They beat a top-notch Hillside club, and dominated the Big Five Conference with a six and two record, avenging their early season defeats.

In county play the Cards won from Linden and Rahway, but in the semi-finals dropped a heart-breaker to Hillside. In state competition they bowed 60-47 to powerful Thomas Jefferson after having led for three quarters. The quintet bowed out of interscholastic competition with this enviable record.

First Row: H. Brandt; J. Haver; R. Ciotta; W. Johnson; R. Calloway. Second Row: W. Harkness; P. Enander; J. Ridgway; W. Foley; R. Watkins; Coach W. Brann.



CUTS: *BASKETBALL*

"Way up high."

The **Junior Cardinals,** ably coached by a former PHS star, Paul Mansberry, had an up-and-down season, at times showing much promise, and at others falling short of victory. More important, however, than their record of five wins and eleven losses was the development of several boys for future varsity rosters.

Highlighting the season's play was the surprise upset of a highly favored Plainfield squad by a five point margin. The other victories came at the expense of the Cranford, Dunellen, and Linden jayvees, the last named dropping both games played.

The starting five was entirely composed of sophomores, although freshmen Ben Bailey and Rico Parenti were in there at the beginning of the game several times toward the end of the year. Six foot three inch Dick Mathewson played the pivot, with Jack Perry and Cass Wanczyk in the forward positions. The first string guards were Ward Talbot and Ricky Johnson; the latter of whom sparked the team throughout the year and revealed much promise. The most frequently used substitutes were Ben Bailey, Rico Parenti, Tom Bender, and Dick Snell. The rest of the squad saw comparatively little action in the games, but they gained the necessary "know how" during daily practice sessions.

First Row: J. Mills; R. Hill; A. Levine; F. Katzman; A. Seigal; R. Parenti; D. Astheimer; J. Kennette; E. Winslow. **Second Row:** Coach P. Mansberry; R. Snell; C. Wanczyk; R. Johnson; R. Mathewson; W. Talbot; T. Bender; B. Ianotta; B. Bailey.

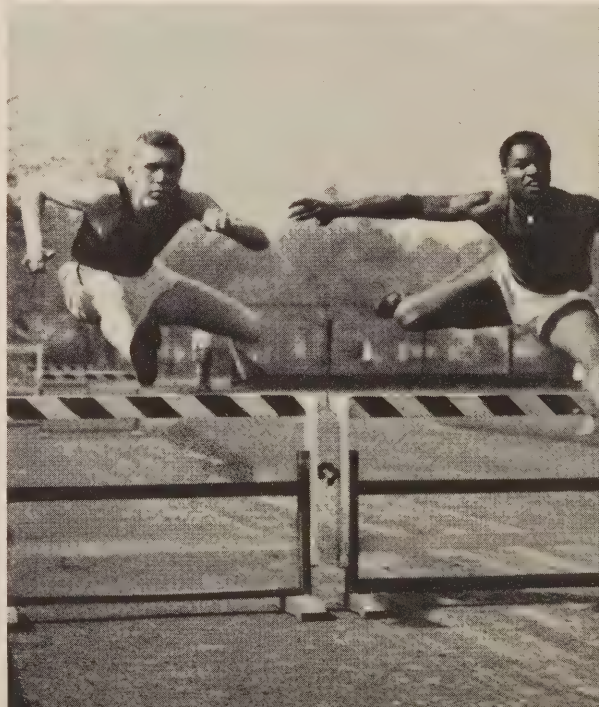
TRACK: ON THE GOLDEN ROAD TO

Opening the 1948 season in Westfield, the Plainfield tracksters, undefeated the past four seasons, had a close call as Thomas Jefferson tied them in the Union County Relays. Then the cindermen, gaining momentum, easily captured the contest with New Brunswick. Thereafter the Cards retained their championships at the Newark Board of Education meet, the Central Jersey Relays, and the Union County and Central Jersey track meets. Vengeance for the tie was achieved as Jefferson and Westfield were crushed in a triangular affair. A powerful West Point Plebe team swamped the trackmen.

At the State contest, the mighty Cardinal juggernaut was finally halted as the squad dropped this interscholastic contest by a close margin. Throughout the season Coach Harold Bruguiere had achieved victory with well-rounded team scoring, including several firsts, many second and third places; however, Columbia's firsts outscored Plainfield.

The team, with Charles Cary as captain, was paced by the following members: Charles Cary, hurdler and shot putter; Al Pittis, Bob Audet, Don Kennedy, Rowland McDermott, and Jim Callahan, distance runners; Ben Lipscombe and Clarence Frederick, dash men; Art Skove, Tom Campbell, and John Cooper, hurdlers; Phil Anderson, high jumper; Judd Pratt and "Pip" Jennings, pole vaulters; and Frank Gransky, javelin hurler. Although many standout performers have been graduated, Coach Bruguiere should continue to develop new talent to produce more winning teams.

Over the rainbow!



First Row: R. Eddy; F. Hocko; J. Catanese; B. Feldman. Second Row: R. Williams; A. Monaci; R. Wendell; J. Haver; A. Serido; A. Esolda; W. Campbell; W. Harkness. Third Row: G. Pinfield; J. Ciotta; R. Manners; R. Watkins; J. Ridgway; L. Foley; J. Arthur; E. Leibel; C. Crawley; A. Del Bueno.

DIAMONDS OF THE EMERALD CITY: *BASEBALL*

The **Cardinals** came out on the short end of an eleven and eight record as lack of batting power hurt Coach Liddy's nine. Infield hits were ably handled by Tony Serido, John Catanese, Bill Foley, and Al Monaci, who was replaced by Andy Esolda when he pitched. The ball hawks, Alex Del Bueno, John Arthur, and Bart Feldman, helped the team by making many timely catches in the "green gardens". Jack Haver, Cliff Crawley, and Ed Leibel performed the chores behind the plate.

Lou Harding was the outstanding hurler, having received credit for three victories, two of them being one-hitters, and five defeats. Dick Watkins was accredited with the same number of defeats as Harding and two wins. Al Monaci finished in the .500 column as he won one and lost one. Bob Wendell and Ronnie Williams each ended the season "in the black", winning one each while dropping none.

The **Junior Varsity,** under the coaching of Mr. Bill Brann, completed the nine game schedule without suffering a setback. Infielders Roy Snyder, Bill Johnson, Vince Vesuvio, and Norman Geller kept the errors down to a minimum while Bob Gavazzi, Charlie Pearson, and Don Pizzolotto performed capably in the outfield.

Tony Mansolino handled the catching, and the team's showing reveals his ability. The pitching staff was led by Larry Perretti, Bob Cary, and Tex Zowathowski, each of the first two fashioning a no-hitter.

Kneeling: B. Friedlander; K. Perrine; N. Geller; L. Pizzolotto; J. Dicellis; G. Pinfield; T. Pepe; E. Zonowith; E. Noatowski; C. Pearson. Standing: R. Snyder; J. Commune; J. Geiger; L. Peretti; H. ONE THING NOT IN OZ: *TENNIS*

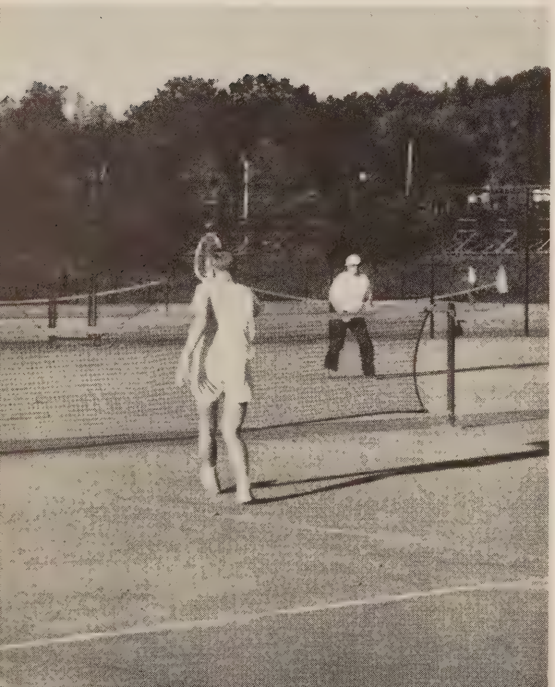
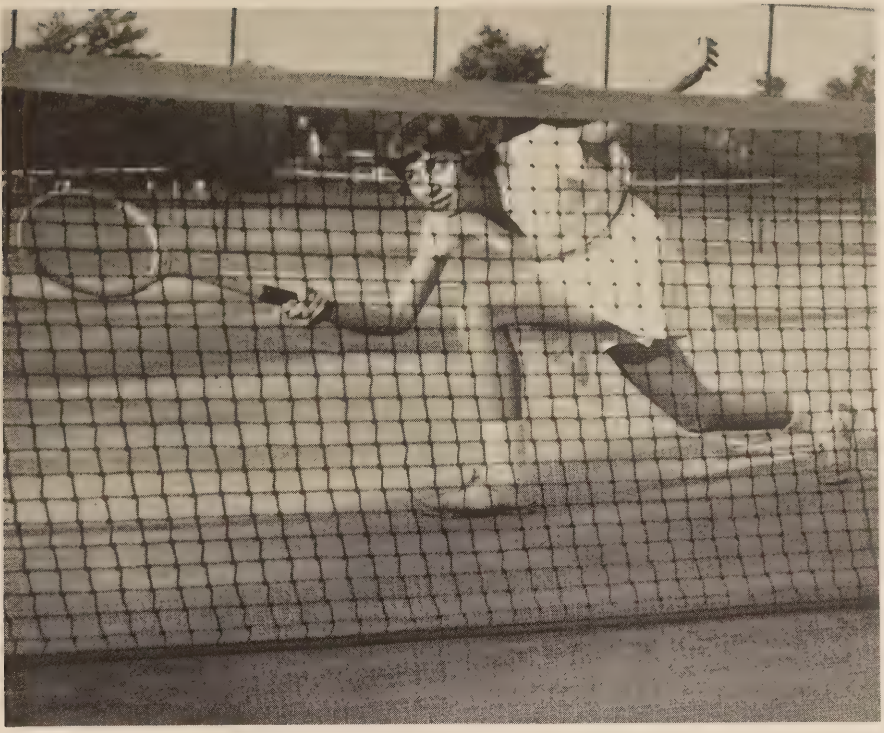
A completely successful score card rewarded the 1948 Cardinal **tennis team** as they swept through all their matches with comparative ease. In only one of the best out of five encounters, with Westfield, did the team lose two points. During the season, they garnered forty-three points as against four for the opposition, scoring double wins over Perth Amboy, Westfield, and New Brunswick, and, since the return match in each case was rained out, single wins over Morristown, North Plainfield, and Cranford. The team's excellent showing is a tribute to Mr. William Sette's thorough coaching.

To counter-balance the perfect tennis weather there was for fall practice, an innovation this year, the weather in May, when most of the matches are played, was the wettest in the last forty years.

Bob Teitsworth and Charley Lott, co-captains, led the varsity squad which also included Bob Gavett, Pete Shaw, Ken Carter, Gerry Shaw, Stan Canter, Pete Enander, and Gordon Sterner. Six of the Plainfield players went through the season without a defeat, and one Charles Lott, completed his second straight season without a setback. The Alumni Cup Tournament, with the cup donated annually by the Boosters' Club, was won by Charley Lott, and Bob Teitsworth's name was chosen for the honor plaque in the boys' gym.

"Practice makes perfect."





"CAN YOU GIVE ME MUSCLES?"

Fall tennis for 1948 under the direction of Miss Virginia Hogan was quite a hit! Every Tuesday and Thursday afternoon the grils would be at the Athletic Field learning the rules of the game and practicing for the tournaments. The girls were classified into two groups, one for beginners and one for the more advanced players. They have greatly enjoyed tennis this year and have learned a lot about it.

Ginny Stires won the beginner's tournament and the advanced tournament was won by Mary Libby Brown.

"In the spring a young man's fancy turns to love." In the spring a young woman's fancy turns to—you've guessed it!—archery. In the spring of every year at the P.H.S. Athletic Field you can see a group of girls from Freshmen to Seniors learning how to shoot an arrow under the expert supervision of Mrs. Ruth King. Each class has its own captain. Last season the Juniors won the tournament, Berta Trusheim won the medal for the highest individual score, and Nancy Jo Clawson was the club president.

First Row: E. Lyons; A. Splaine; N. J. Clawson; C. Fasso; P. Windham; P. Pratt. Back Row: C. Youngman; L. Wolfson; J. Slifer; G. Lentzsch; M. Higgins; P. Ball; A. Joyce; E. Sacks.

First Row: M. Vualde; P. Jones; M. Bumpus; L. Knight; B. Henry. Second Row: P. Windham; J. Ruggles; D. Brown; A. Splaine; P. Callaway; Addie Pulliam. Third Row: D. Greene; P. Wedgeworth; E. Steinman; V. Brown; L. Smalls; C. Hester; J. Slifer; N. Smith; S. Metrokotsas; H. Esposito; Miss M. Newson.

It's a bird! It's a plane! It's a home run! Yes, the girls were at it again. Last spring they met for softball each Tuesday and Thursday afternoon at the Athletic Field, with Miss Marion Newson as their sponsor. At first, they played just for fun and practice, but the highlight of the season was the tournament. There were four teams, each representing a class. The Seniors of '48 were the winners, with Anna Splaine as captain. Each girl on the winning team received points toward a numeral or letter.

Come on! Let's get a basket! Shoot! Shoot! Surely these words must ring a familiar note in your mind. There is only one thing they could remind you of, and that's the "sport of sports", basketball, the favorite winter game among P.H.S. girls, now directed by Miss Marion Newson, although formerly by Miss Marion Snyder. Each class has its team, which spends its time playing the others, with a tournament at the end of the season. Last year, the '48 Seniors were the winners, ably led by their captain, Anna Splaine.

First Row: J. Slifer; L. Galkowski; A. Rigiel; B. Plotkin. Second Row: G. Mahovich; J. Albrecht; B. Guttridge; D. Lounsbury; B. Vail; P. Windham; N. Lowrie. Third Row: Miss M. Newson; P.
